GMA HAS A NEW WEBSITE

The GMA (Greenville Municipal Auditorium) officially launched its new website, www.showtimeatthegma.com, at the MercyMe concert Tuesday, December 6.

The new design reflects the Art Deco style of the actual auditorium itself and provides easy access to everything that is happening at the GMA. The site features news, a calendar, a brief history of the facility, contact and technical information, and the ability to purchase tickets for public events through Ticketfly, the service that hosts the website.

The site also provides a direct link to the GMA's social media sites on Facebook and Twitter. For more information, contact Venue Manager Tess Todora at 903-457-3126 or by email at ttodora@ci.greenville.tx.us.
